

2010 PARTNERING CONFERENCE

Session & Time	Planning Room 209	Design Rooms 218-219	Technical Rooms 212-217	Environmental Room 208	General Room 211	Project Highlights Room 210
8:00 – 8:50	Land Use and Transportation Jim Thorne (FHWA Resource Center)	New Drainage Manual David Moses (KYTC Drainage Branch) & David Lanham (Palmer Engineering)	Integrating Civil Engineering and GIS Richard Morrow (Bentley Systems)	Kentucky's Mussel Recovery Program Monte McGregor (Kentucky Department of Fish and Wildlife Resources) and Phil DeGarmo (U.S. Fish and Wildlife Service)	KYTC LPA Interim Guide Shane Tucker (KYTC Planning)	World Equestrian Games Ben Edelen, Bill Seymour (HDR Eng.) Scott Walker (PB) Jarrod Stanley (D-7 Traffic)
9:00 – 9:40	First Look Pre-design Scoping Studies and Purpose and Need Keith Damron (KYTC Division of Planning) & John Metille (Wilbur Smith Associates)	Consultant Evaluations Chuck Allen (KYTC Roadway Engineering Branch)	Electronic Deliverables for KYTC Bill Greene (KYTC Plan Processing) Kevin Martin & Staff (KYTC Developmental Branch); John Wells & Staff (KYTC Technical Support Branch) & David B. Cox (KY State Board of Licensure for Professional Engineers & Land Surveyors)	Green Infrastructure – An Introduction to Water Quality Tools Dave Harmon (Kentucky Transportation Cabinet)	Mobile Mapping Technology & LiDAR Mapping Ben Fister & Jeremy Mullins (GRW Engineers, Inc.); Paul Bishop (Photo Science)	How to drain a 22 million gallon lake for a highway project. "The Natcher Parkway Extension Project" Renee Slaughter (D-3 Environmental Coordinator), Allen Arnold (D-3 Right of Way) & Joe Plunk (KYTC D-3 Project Development)
Break – 20 min.						
10:00 – 10:40	Congestion, Bicycle, Pedestrian, Bike Lanes Accommodations Felicia Harper (KYTC Division of Planning) & Dirk Gowin (Louisville Metro)	Safety Impacts of Design Element Trade-offs for Multi-Lane Rural Highways Nikiforos Stamatiadis (University of Kentucky)	Advances in Dynamic 3D Modeling Richard Morrow (Bentley Systems)	Records Retention – How to build an Administrative Record for NEPA John Mettile (Wilbur-Smith Associates, Inc.) and Tim Haggerty (Frost Brown Todd, LLC)	2009 MUTCD: An Overview of Additions and Changes Jeff Wolfe & Joe Thompson (KYTC Traffic Operations)	Appalachian Development Highway System Corridor Q – US 460 in Pike County Kevin Damron & John Michael Johnson (KYTC D-12) David Lindeman & Brad Robson (Palmer Eng.)
10:50 – 11:30	MPO 101 – Project Development in Metropolitan Areas J.R. Ham and Amy Thomas (KYTC Division of Planning)	Roundabouts – New Policy and Guidance Adam Kirk (KY. Transportation Center)	Practical Applications using the KYCORS Network Danielle Kelly & Dan Farrell (KYTC Highway Design)	The Ripple Effect: Implications of Changes Occurring Late in Project Development Carol Callan-Ramler, John Eckler, John Michael Johnson and Brad Eldridge	Common Problems with Highway Plans Rob Harris & David Hughes (KYTC Construction)	Eastern Parkway Project: The Complete Street Greg Groves & Paul Slone (URS Corp.) Brian Meade (KYTC D-5)

WEDNESDAY MORNING

7/22/2010

2010 PARTNERING CONFERENCE

Session & Time	Planning Room 209	Design Rooms 214-217	Technical Rooms 218-219	Environmental Room 208	General Room 211	Project Highlights Room 210
1:00 – 1:40	Land Use and Transportation Jim Thorne (FHWA Resource Center)	New Drainage Manual David Moses (KYTC Drainage Branch) & David Lanham (Palmer Engineering)	MicroStation V8i SELECTseries 2 – Update Ron Gant (Bentley Systems)	Kentucky's Mussel Recovery Program Monte McGregor (Kentucky Department of Fish and Wildlife Resources) and Phil DeGarmo (U.S. Fish and Wildlife Service)	KYTC LPA Interim Guide Shane Tucker (KYTC Planning)	World Equestrian Games Ben Edelen, Bill Seymour (HDR Eng.) Scott Walker (PB) Jarrod Stanley (D-7 Traffic)
1:50 – 2:30	First Look Pre-design Scoping Studies and Purpose and Need Keith Damron (KYTC Division of Planning) & John Metille (Wilbur	Consultant Evaluations Chuck Allen (KYTC Roadway Engineering Branch)	Electronic Deliverables for KYTC Bill Greene (KYTC Plan Processing) Kevin Martin & Staff (KYTC Developmental Branch); John Wells & Staff (KYTC Technical Support Branch) & David B. Cox (KY State Board of Licensure for Professional	Green Infrastructure – An Introduction to Water Quality Tools Dave Harmon (Kentucky	Mobile Mapping Technology & LiDAR Mapping Ben Fister & Jeremy Mullins (GRW Engineers, Inc.); Paul Bishop (Photo Science)	How to drain a 22 million gallon lake for a highway project. "The Natcher Parkway Extension Project" Renee Slaughter (D-3 Environmental Coordinator), Allen Arnold (D-3 Right of Way) & Joe Plunk (KYTC D-3
Break – 30 min.						
3:00 – 3:40	Congestion, Bicycle, Pedestrian, Bike Lanes Accommodations Felicia Harper (KYTC Division of Planning) & Dirk Gowin (Louisville Metro)	Safety Impacts of Design Element Trade-offs for Multi-Lane Rural Highways Nikiforos Stamatiadis (University of Kentucky)	InRoads V8i SELECTseries 1 and SELECTseries 2 Overview Ron Gant (Bentley Systems)	Records Retention – How to build an Administrative Record for NEPA John Metille (Wilbur-Smith Associates, Inc.) and Tim Haggerty (Frost Brown Todd, LLC)	2009 MUTCD: An Overview of Additions and Changes Jeff Wolfe & Joe Thompson (KYTC Traffic Operations)	Appalachian Development Highway System Corridor Q – US 460 in Pike County Kevin Damron & John Michael Johnson (KYTC D-12) David Lindeman & Brad Robson (Palmer Eng.)
3:50 – 4:30	MPO 101 – Project Development in Metropolitan Areas J.R. Ham and Amy Thomas (KYTC Division of Planning)	Roundabouts – New Policy and Guidance Adam Kirk (KY. Transportation Center)	Practical Applications using the KYCORS Network Danielle Kelly & Dan Farrell (KYTC Highway Design	The Ripple Effect: Implications of Changes Occurring Late in Project Development Carol Callan-Ramler, John Eckler, John Michael Johnson and Brad Eldridge	Common Problems with Highway Plans Rob Harris & David Hughes (KYTC Construction)	Eastern Parkway Project: The Complete Street Greg Groves & Paul Slone (URS Corp.) Brian Meade (KYTC D-5)

WEDNESDAY AFTERNOON
